External Transfer to a Friend Agreement

(Addendum to Online Banking Service Agreement)

General

The terms “you” and “your” refer to the individual customer accepting this External Transfer to a Friend Agreement (this “Agreement”). The terms “our”, “we”, and “us” refer to Zions Bancorporation, N.A., dba Zions Bank. Other terms are defined in this Agreement or your Online Banking Service Agreement. This Agreement is an addendum to and hereby incorporates all of the terms, conditions and limitations of your Online Banking Service Agreement and Zions Bank Deposit Agreement.

By entering into this Agreement, you can electronically transfer funds from your eligible personal checking or savings account at Zions Bank (an “Eligible Account”) to an enrolled checking or savings account that is owned by another person (a “Friend”) at another financial institution (an “External Account” at an “External Financial Institution”). Each transfer that you make to an External Account at another Institution is called an “External Transfer to a Friend”. The services described herein are called the “Service.” We may change the types of accounts served, or the types of transfers that can be made, by using the Service at any time without notice. This Agreement governs only the External Transfers you make to a Friend using the Service. Without limitation, this Agreement does not govern transfers that you make to your own accounts Zions Bank or elsewhere using Online Banking, or govern transfers that you make to third parties using bill payment or other services.

Authorization and Termination

By enrolling in the Service, or by making any External Transfer to a Friend using the Service, you accept the terms of this Agreement and: (a) represent and warrant that you have permission from the owner(s) of that External Account to make transfers thereto; and (b) authorize Zions Bank to electronically transfer funds from your accounts to the External Account based on instructions entered through Zions Bank’s Online Banking Website, or to correct any errors that Zions Bank identifies.

Your authorizations to Zions Bank regarding any External Account will remain in full force until you terminate the Service for that or all of your External Accounts as provided herein in the section entitled “Termination of the Services.”

Enrollment of an External Account

You will need to enroll an External Account before you can transfer funds to it. To “enroll” an External Account, complete an “External Transfer to a Friend Enrollment Form” and have it accepted by Zions Bank.

Zions Bank reserves the right to reject an enrollment request for any reason, including but not limited to potential fraud or misuse, other limitations as outlined by the United States Department of the Treasury’s Office of Foreign Assets Control, or an incomplete enrollment. You agree to enroll only personal accounts (i.e., business, corporate, or organization accounts are NOT allowed).

Not all types of accounts are eligible for ACH transfers. You may be subject to penalties by the External Financial Institution, or may suffer negative tax consequences, for certain transactions involving Retirement (401k, IRA, etc.), Savings, Money Market Accounts, Certificates of Deposit, Trusts, Loans, Custodial, Business, Corporate and other types of accounts. It is your responsibility to verify with the External Account owner and the External Financial Institution any restrictions regarding transfers to any External Account that you enroll. Zions Bank is not responsible for direct, indirect, special or consequential costs, fees, losses, penalties, or other damages resulting from External Transfers to a Friend that are not permitted under restrictions of External Financial Institutions or those imposed by applicable laws and regulations.

External Account Number Policy

Zions Bank may, but has no obligation to validate any External Account number that you provide in the enrollment process. It is your responsibility to ensure you enter a valid and correct External Account number. External Transfers to a Friend sent to invalid or incorrect account numbers may not be recoverable. If you provide an invalid or incorrect External Account number, Zions Bank will NOT be responsible for returning funds due to an unrecoverable External Transfer to a Friend.

ZIONS BANK[®]

Transferring To an External Account

All External Transfers to a Friend are subject to the rules and regulations of the External Financial Institution. You agree not to transfer any funds to an External Account where that transaction would not be allowed under the rules or regulations applicable to such accounts. You agree to obtain any and all permissions required by the External Financial Institution or External Account owner prior to transferring funds to an External Account.

When you place an order for an External Transfer to a Friend, Zions Bank will hold the funds on the scheduled date of the transaction. The hold will remain in effect until the funds are sent and the transaction is posted.

We may honor but are not required to honor External Transfers to a Friend in excess of the collected funds in your Eligible Account. If your Eligible Account has insufficient funds to cover an External Transfer to a Friend, Zions Bank may, at its sole discretion:

- Honor the funds transfer under the terms of any Zions Bank overdraft protection plan you have established.
- Honor the funds transfer and create an overdraft in your Eligible Account. Zions Bank may hold balances in your other Zions Bank accounts until the overdraft is paid. In addition, Zions Bank may advance funds under your Zions Bank issued Credit Card. Charges to your Zions Bank issued Credit Card to cover these transfers will be considered a cash advance (see your Credit Card disclosures for applicable fees).
- Refuse to honor the funds transfer.
- Cancel any and all External Transfers to a Friend to any and all External Accounts.

Fees may apply to any of the above remedies. Please refer to your Zions Bank Deposit Agreement for additional details.

If any External Transfers to a Friend are returned to Zions Bank for any reason, Zions Bank will return the funds, within a reasonable time, to your Eligible Account.

***The External Transfer to a Friend Service does not permit you to transfer or draw funds from any External Account.**

Transfer Timing and Settlement

Transfers to External Accounts generally take between one and three business days to settle. This means immediate transfers may take up to three days before funds have actually transferred. This also means that scheduled transfers, both one-time and recurring, will also settle one to three days after the scheduled date.

Canceling Specific Funds Transfers

You may cancel any scheduled one-time or recurring transfer initiated through the Zions Bank Online Banking website if you do so within one business day prior to the scheduled transaction processing date. This can be done by submitting a timely request through Zions Bank's Website, by calling 1-800-840-4999 or writing to us at:

Zions Bank
Attn: External Transfers to a Friend
P.O. Box 3748
Salt Lake City, UT 84110

A cancellation request for a one-time transfer will apply to that specific transaction.

Zions Bank may refuse to honor any External Transfer to a Friend, at any time for any or no reason, including but not limited to: written or verbal notice from other apparent owners of the External Account; overdrafts, unrecoverable rejects, or returns from the External Financial Institution; or possible fraud or illegal use.

Termination of the Service

If, at any time, you wish to terminate your use of the Service for any or all enrolled External Account, you will need to immediately discontinue use of the Service for those External Accounts, cancel any scheduled transactions (whether scheduled or recurring) to those External Accounts, and delete those External Accounts from your Online Banking profile. (See also Section entitled "Canceling Specific Funds Transfers.") You may cancel transactions that are not in-progress

ZIONS BANK[®]

Salt Lake City, UT 84110

Termination of Service with an External Account may be requested by you, or by any other owner or person presenting ownership of that External Account. Notwithstanding your termination of the Service, this Agreement will continue to govern any transactions that cannot be canceled at the time of your termination.

Zions Bank reserves the right to terminate or suspend your access, or any access, to this Service, to cancel any and all transactions, and remove or suspend any or all enrolled External Account for any or no reason, including but not limited to fraud, misuse, kiting, ACH transaction rejects and returns, or any unauthorized access or use of the Service.

Transfer Limits

For security or risk purposes, Zions Bank may from time to time in its discretion set and modify without prior notice limits on the individual or aggregate amount of External Transfers to a Friend, and related transfers involving your accounts. Current limits can be ascertained by calling Zions Bank Online Banking. In addition, if you transfer from a Savings or Money Market account, the account is limited to a total of six transfers per statement cycle. See your Zions Bank Deposit Agreement for details.

“Frequently Asked Questions” External Transfer to a Friend Service

Q: What is an External Transfer to a Friend?

A: An External Transfer to a Friend allows you to transfer funds electronically from your Zions Bank personal checking or savings account to a checking or savings account owned by somebody else (a “Friend”) at another financial institution. The Friend’s account is called an “External Account.” This transfer occurs through your Zions Bank Online Banking account and the Automatic Clearinghouse (ACH) system (just like a direct deposit or utility bill payment would).

Q: How do I sign up for External Transfer to a Friend?

A: You will need to enroll each External Account by completing and submitting an External Transfer to a Friend Enrollment Form to Zions Bank. Once your enrollment request is processed and approved, Zions Bank will send you a secured email message stating that the External Account has been added to your Online Banking profile. Processing and approval usually takes 1 to 2 business days.

Q: Is there a difference between “External Transfer to a Friend” and other “external transfers”?

A: Yes. An ordinary external transfer is a transfer to or from an account that you own at another financial institution. External Transfer to a Friend is a transfer from your Zions Bank account to an account owned by somebody else at another financial institution. The difference is who owns the two accounts.

Q: Is “External Transfers to a Friend” the same as “Transfer to a Friend” at Zions Bank?

A: No, “External Transfers to a Friend” allows you to transfer funds from your account at Zions Bank to an account owned by somebody else at another financial institution. The difference is whether both accounts are held at Zions Bank.

Q: Must I notify the other financial institution?

A: No.

Q: Can I enroll any External Account of a Friend?

A: The Friend’s External Account must be a checking or savings account with a financial institution that accepts ACH transactions.

Q: Will I be able to see the balances of my Friend’s account?

A: No.

Q: Can I transfer funds from my Friend’s account?

A: No, you can only transfer funds from your Zions Bank account to your Friend’s External Account.

Q: How long does it take for funds to reach my Friend’s External Account?

A: Typically, funds will reach your Friend’s External Account in 1 to 3 business days after the scheduled date of transfer. If a transfer is scheduled after our cutoff time, it will be deemed received the next business day. Availability of the funds transferred will be subject to the other financial institution’s hold policies.

Q: Which of my accounts can make External Transfers to a Friend?

A: Once you are enrolled in the External Transfer to a Friend Service, each of your checking and savings accounts that appear in your Online Banking profile will be capable of making External Transfers to a Friend.

Q: Is there a cost for an External Transfer to a Friend?

A: Zions Bank does not presently charge an enrollment fee or a transaction fee for the External Transfer to a Friend Service. No fee for that Service will be adopted without prior notice in accordance with the terms of your Online Banking Agreement and Zions Bank Deposit Account Agreement. All fees and charges otherwise applicable to your accounts and transactions therein remain applicable (e.g., if your deposit account limits the number of transaction you can conduct before fees for that account apply).

ZIONS BANK[®]

Q: Can anyone use this service? Can businesses enroll?

A: External Transfers to a Friend is available only to personal Zions Bank Online Banking customers who have at least one personal checking or savings account. Businesses and business accounts are not eligible.

Q: Is there a limit to how much money I can transfer?

A: For security or risk purposes, Zions Bank may from time to time in its discretion set and modify without prior notice limits on the individual or aggregate amount of External Transfers to a Friend and related transfers in your accounts. Daily limits apply to the transfers scheduled to occur on any given day, not to the transfers that you may enter into the Online Banking system on any given day. Current limits can be ascertained by calling Zions Bank Online Banking at (800) 840-4999.

Q: What do I do if I no longer wish to make External Transfers to a Friend?

A: Simply delete your Friend's External Account from your Online Banking profile. You should also timely cancel any individual or recurring transfers that have already been scheduled that you do not wish to occur. If you have any questions, please call Zions Bank Online Banking at (800) 840-4999. Zions Bank may in its discretion limit the number of times that the same External Account may be added to your Online Banking profile.

Q: How do I cancel an External Transfer to a Friend?

A: An External Transfer to a Friend can be canceled up until the day before the scheduled date of transfer. Once the transaction has been sent to the ACH system, it cannot be canceled. You cancel the transfer order through your Online Banking transfers scheduling webpage.

Q: What happens if I don't have enough funds in my account when an External Transfer to a Friend completes?

A: First, Zions Bank may decline to complete the transfer. If Zions Bank does complete the transfer, you may be subject to overdraft charges under the agreements governing your account. Please check your deposit agreement, your fee schedule and any overdraft protection agreements or programs that you may have.

Q: Who do I contact if I have additional questions or need help enrolling an external account?
