All information that Borrower has provided and will provide at any time in the future is and will be accurate, and the Borrower’s Chief Financial Officer or Operating Officer (or other person with equivalent knowledge and responsibility regardless of that person’s title) will certify the accuracy of such information on request.

4.6: Specially-Designated Nationals (SDN) Screening: The Bank complies with applicable anti-money laundering laws, including screening customer names against SDN lists administered by the U.S. Treasury's Office of Foreign Assets Control (OFAC). 5.0: CREDIT LIMIT: The Bank will assign to each User a User's Credit Limit; the Borrower's Credit Limit will be the aggregate amount of all of the User's Credit Limits combined. The User's Credit Limit will be set forth on each User's monthly statement. The Borrower's Credit Limit and each User's Credit Limit will be set forth on the Borrower's monthly statement. The Card or Card Account shall not be used in any way that would cause a User's Outstanding Balance to exceed that User's Credit Limit. The Bank may increase or decrease the Borrower's Credit Limit or any User's Credit Limit at any time at the Bank's sole discretion. The Bank will give notice of any such change. Borrower may request a change in a User's Credit Limit by writing to the address shown on the monthly statement or by calling 1-888-758-5349 during business hours (8:00 a.m. to 5:00 p.m. Mountain Time, Monday through Friday, excluding holidays).

6.0: THE CARD:

6.1: Signature Panel. The back of the Card contains a signature panel which must be signed before the Card may be used.

6.2: Card is Bank's Property. The Card is the property of the Bank and must be returned to the Bank if the Bank so requests. Also, the Bank can, at any time and without cause and without notice, revoke the right to use the Card. If a merchant or a financial institution asks for the surrender of the Card, it must be surrendered immediately.

6.3: Expiration. The Card will not be valid after the expiration date printed on the front of the Card and it must not be used after that date.

6.4: Renewal and Replacement Cards. The Bank will continue to issue renewal or replacement Cards until the Bank revokes the right to use the Card or until the Card Account is closed.

7.0: AVAILABLE TRANSACTIONS: Subject to the restrictions described herein, the Card and the Card Account may be used in any of the following transactions:

7.1: Purchases. Unless otherwise requested by the Borrower, the Card may be used to purchase or lease goods or services wherever the Card is honored.

7.2: Cash Advances. At the request of the Borrower, the Card may be used by a User, subject to the corresponding User's Credit Limit, to obtain cash advances or make a quasi cash transaction from your Card Account: (1) in person at the Bank or any participating financial institution; or (2) at any ATM in the Reddi-Access ATM network or any of the other participating ATM networks (the names of which are shown on the back of the Card), subject to the following limitations (certain ATMs may have other limits): the total dollar amount of such ATM cash advances may not exceed \$500 per day for each Card. Each cash advance or quasi cash transaction will create a charge to your Card Account. Based on risk, we reserve the right to limit cash advance access at the sole discretion of the Bank.

7.2.1: Use of your Credit Card to withdraw cash from ATMs located outside of the United States creates a cash advance from and charge to your Card Account even if you select withdrawal from checking or savings account or any other type of account.

7.3: Balance Transfers. Subject to your available Credit Limit, you can request a balance transfer to your Card Account. You may not use a balance transfer to pay off any other accounts you have with the Bank. You may only make a balance transfer to accounts that list you as an account holder. Allow 4 to 6 weeks to process your balance transfer request, during which time you should continue to make payments to those accounts. You will not earn any rewards points or cash back on a balance transfer.

7.4: Electronic Online Cash Advances. At the request of the Borrower and subject to your available Credit Limit, the Card may be used to obtain electronic online cash advances from your Card Account. Based on risk, we reserve the right to limit electronic online cash advance access at the sole discretion of the Bank. Each electronic online cash advance will be treated as a cash advance subject to a Cash Advance Transaction Fee charged to your Card Account.

7.5: Internet Gambling Notice. Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling. We have elected to not offer accounts to organizations that offer or sponsor Internet gambling. Commercial accounts receiving or processing Internet gambling transactions are subject to closure.

7.6: Credit Card Checks. For promotional purposes the Bank may provide a supply of Credit Card Checks to access your account. Use of the Credit Card Checks creates a cash advance from and charge to your Card Account. Each unused Check is the property of the Bank, and must be returned to the Bank if the Bank so requests. Also, the Bank can, at any time and without cause and without notice, revoke the right to use the Credit Card Checks. You agree to waive any right you may have to stop payment on a Credit Card Check.

8.0: MONTHLY STATEMENTS: At Borrower's request, the Bank will send to Borrower a monthly statement summarizing each User's transactions during the preceding billing period. The monthly statement will show the total amount owed on each User's Card as of the end of the billing period, including any interest charges, fees, the minimum payment due date (which is 20 days from the monthly statement closing date).

9.0: HOW THE NEW BALANCE IS DETERMINED: The total amount owed to the Bank as a result of each User's transactions at the end of the current billing period appears as the "New Balance" on each User's monthly statement. The User's Outstanding Balance at the end of the previous billing period is called the "Previous Balance." The New Balance is determined by taking the Previous Balance and (1) subtracting any payments and credits received by the Bank during the current billing period and then (2) adding any purchases, cash advances, quasi-cash transactions, balance transfers, interest charges, fees, and other adjustments.

10.0: ANNUAL PERCENTAGE RATE (APR):

10.1: Daily Periodic Rate (DPR) and APR for Purchases. The DPR will be 1/365 (1/366 for a leap year) of the then current APR. The APR, which is calculated on the average daily balance, is a variable rate. The APR in effect throughout a particular billing period will be:

- **Prime Rate + 6.00%** for Visa Capital Credit Card (**Prime Rate + 5.00%** for National Bank of Arizona Visa Capital Credit Card)
- **Prime Rate + 9.00%** for Cash Back for Business Visa Credit Card
- **Prime Rate + 9.00%** for Visa Business Credit Card (**Prime Rate + 6.00%** for National Bank of Arizona Visa Business Card)
- **Prime Rate + 9.00%** for Visa Purchasing Card (**Prime Rate + 6.00%** for National Bank of Arizona Visa Purchasing Card)

The Bank's **Prime Rate** represents the rate in effect on the day that precedes by 6 business days the first calendar day of the calendar month in which that billing period ends. The **APR** and **DPR** in effect for each billing period are disclosed on the corresponding monthly statement.

10.2: APR for Cash Advances, Quasi-Cash Transactions, and Balance Transfers: The APR in effect throughout a particular billing period for cash advances, quasi-cash transactions, and balance transfers will be 15.99% plus the Prime Rate.

10.3: Effect of Change in Rate. All other factors being equal, and subject to the method by which the minimum payment is calculated (as described above), an increase in the **APR** will increase the minimum payment, and a decrease in the **APR** will decrease the minimum payment.

10.4: Prime Rate: The interest rate on your account is subject to change from time to time based on changes in an independent index which is the Prime Rate as published in the *Wall Street Journal* (the "Index"), if a range of rates has been published, the higher of the rates will be used. Information about the Index is available or published daily in the *Wall Street Journal*. You acknowledge that the Prime Rate as used herein does not mean the lowest rate at which the Bank has made or may make loans to any of its customers, either now or in the future. If the Index becomes unavailable the Bank may designate a substitute Index after providing notice to you.

10.5: DPR for Purchases: The DPR for transactions posting as Purchases is calculated based on the corresponding APR. To determine your rate for Purchases, we add the Index to the applicable margin, then divide that amount by 365.

10.6: DPR for Cash Advances, Quasi-Cash Transactions, and Balance Transfers: The DPR for transactions posting as a cash advance, quasi cash transaction, or balance transfer is calculated based on the corresponding APR. To determine the rate, we add the Index to a margin of 15.99%, then divide by 365 to obtain the DPR.

11.0: INTEREST CHARGES: The following interest charges will apply whether before or after default, judgment, or the closing of the Card Account.

11.1: Periodic Interest Charges on Purchases, Cash Advances, Quasi-Cash Transactions, and Balance Transfers. A periodic interest charge on purchases will be assessed if the total New Balance listed on the previous billing statement was not paid in full by the payment due date; otherwise, a periodic interest charge will be assessed on each purchase from the date of the purchase transaction. A periodic interest charge will be assessed on each cash advance, quasi cash transaction or balance transfer from the date of such transaction; there is no grace period within which such a transaction can be repaid without incurring an interest charge.

11.2: Periodic Interest Charge Calculation(s). The total amount of interest charge for a billing period will be calculated as follows (interest charges on purchases and interest charges on cash advances, quasi-cash transactions and balance transfers are calculated separately and then the resulting amounts combined to arrive at the total interest charges for the billing period): (1) We first determine the “average daily balance” of the account (including new transactions). To get the “average daily balance” we take the beginning balance of your account each day, add any new purchases (or cash advances, quasi-cash transactions, or balance transfers) and then subtract any payments or credits. This gives us the daily balance (any unpaid interest charges incurred during that billing period are not included in the daily balance). Then, we add up all the daily balances for the billing period and divide the total by the number of days in the billing period. This gives us the average daily balance, which is also called the “balance subject to interest charge” on the monthly statement; (2) we multiply the balance subject to interest charge by the number of days in the billing period; the resulting number is then multiplied by the daily periodic rate to determine the amount of interest charge.

11.3: Minimum Interest Charge. Notwithstanding the above, the minimum **INTEREST CHARGE** will be \$1.

12.0: CASH ADVANCE AND QUASI CASH TRANSACTION FEE: Each new cash advance or quasi cash transaction will be assessed a one-time fee equal to 3% of the amount of the transaction, but never less than \$5.00. The transaction fee shall be fully earned when assessed.

13.0: PAYMENTS: Borrower promises to pay the Bank, according to the terms of this Agreement, the entire amount owing hereunder. All payments shall be made in U.S. Dollars drawn on funds on deposit in the United States (however, the Bank may at its option choose to accept payments made in foreign currency or made by drawing on funds on deposit outside the United States, in which case Borrower agrees to pay all conversion fees and bank collection fees incurred by the Bank, which amounts will be treated as purchase items). Do not send cash payments.

13.1: Prepayment. All or any portion of a User’s Outstanding Balance may be prepaid at any time without penalty.

13.2: Amount of Minimum Payment. If the New Balance is less than \$30, the minimum payment is the full amount of the New Balance. If the New Balance is \$30 or more, the minimum payment is the total of two figures: the first is any past due amount; the second is the sum of the greater of \$30 plus late and overlimit fees, or the combined total of 2.5% of the New Balance plus interest charges, late and overlimit fees. Borrower shall make (and the Bank shall have received at the address designated on the monthly statement) on or before the due date the minimum payment shown on the User’s monthly statement (or, at Borrowers option, any greater amount up to a User’s Outstanding Balance). Receipt of the minimum payment at any address other than that designated on the monthly statement may create a delay in posting the minimum payment to the Card Account and may thereby result in a late fee and additional interest charges.

13.3: Application of Payments. Payments will be applied first to New Balance interest charges, and then late fees, overlimit fees, cash advances, quasi-cash transactions, balance transfers, any other fees, and then the remaining portion of the New Balance. Payment for more than the minimum payment amount (but not more than the Outstanding Balance) will be accepted as a single payment for that billing period, the amount in excess of the minimum payment will not be applied toward future payments due.

13.4: Acceptance of Partial or Nonconforming Payments. The Bank may accept late payments, partial payments or any payment marked with any kind of restrictive endorsement (such as “paid in full” or “in settlement”) without giving effect to the restrictive endorsement and without losing, waiving, or impairing any of the Bank’s rights under this Agreement or under applicable law.

13.5: Delay of Available Credit: We credit payments to your account on the day we receive them however, we reserve the right, based on risk, to delay the available credit resulting from those payments.

14.0: OTHER FEES, CHARGES AND PROVISIONS:

14.1: Balance Transfer Fee: Each new Balance Transfer will be assessed a fee equal to 2% of the Balance Transfer, but not less than \$5.00 or more than \$50.00.

14.2: Late Payment Fee. If the minimum payment shown on your monthly statement is not received at the proper address on or before the payment due date, there will be a Late Payment Fee assessed on account balances as follows: \$19 fee will be assessed on account balances up to \$249.99; a \$29 fee will be assessed on account balances between \$250.00 and \$499.99; a \$39 fee will be assessed on account balances of \$500.00 or more.

14.3: Returned Payment Fee. If any check or other payment on your Card Account is dishonored or must be returned because it cannot be processed, there will be a Returned Payment Fee of \$29, which will be treated as a purchase item.

14.4: Overlimit Fee. If, at the end of a billing period, your Outstanding Balance exceeds your authorized Credit Limit, you will be charged an Overlimit Fee of \$29 which will be added to and included in the New Balance for the billing period during which the Card Account is over the credit limit.

14.5: Annual Membership Fee.

- **Cash Back for Business Card:** None
- **Visa Capital Card:** \$40 per User.
- **Visa Business Card and Visa Purchasing Card:** The fee is assessed on a per User basis. If a User uses that User's designated Card to make a minimum of \$2,500 in purchases per year, there will be no annual membership fee for that User; otherwise, the annual membership fee is \$30. Applicable annual membership fees will be added to and included in the New Balance as a Purchase.

14.6: International Transaction Fee. 2% of the U.S. dollar amount of the transaction, whether originally made in U.S. dollars or converted from a foreign currency. If you incur a charge in a foreign currency, the charge will be converted into a U.S. Dollar amount by Visa International. Currently, the currency conversion rate used is either a wholesale market rate or a government mandated rate in effect one day prior to the date the transaction is processed by Visa International plus two percent (2%) of the U.S. dollar rate. The currency conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or the posting date.

14.7: Research. For research requested by Borrower or User on the Card Account (unless such research discloses a billing error made by the Bank), there will be a minimum research charge of \$25 per hour, plus \$5 per photocopy (which amounts will be treated as purchase items).

14.8: Expedited Card Delivery or Emergency Card Fee. If you request the Bank to provide "expedited card delivery" (which requires the services of an outside delivery service provider) or you request to personally obtain an "emergency card" (which requires special card production) at our Bankcard Center, you agree that we may charge a fee up to \$75 for this service.

15.0: RESTRICTIONS ON USE OF CARD ACCOUNT:

15.1: Who may use. Only the Borrower and User may use the Card, the Card Account and the Credit Card Checks.

Borrower's liability shall also include all charges regardless of the purpose made by any person to whom Borrower or User has given express or implied permission to use the Card, Card Account or Credit Card Checks or has voluntarily provided the Card or the Card number.

16.2: User's Liability. In addition to and not in lieu of Borrower's liability as set forth above, each User shall be jointly, and severally liable with Borrower for all amounts resulting from: (a) all charges made by User for personal, family, or household purposes; and (b) all charges made by any person to whom that User has given express or implied permission to use the Card or Card Account or Credit Card Checks or has voluntarily provided the Card or the Card number, regardless of the purpose of any such charge.

17.0: LIABILITY FOR UNAUTHORIZED USE: If your Card or Card Account number are lost or stolen, or if you think that someone used or may use them without permission, you agree to notify the Bank immediately by calling 1-888-758-5349. 20.0: FINANCIAL AND CREDIT INFORMATION:

20.1: Financial Statements. The Bank may need updated financial information from Borrower at some time in the future. If the Bank asks, Borrower agrees to furnish a current financial statement or to update the Card Application.

20.2: Credit Reports. Borrower hereby authorizes the Bank to make whatever credit inquiries or investigations about Borrower that the Bank deems appropriate and to disclose to others credit information about the Card Account and Borrower's performance under this Agreement. The Bank may ask credit bureaus for reports of Borrower's credit history. At Borrower's request, the Bank will tell Borrower whether or not the Bank has requested such reports and will tell Borrower the names and addresses of the credit bureaus furnishing the reports.

21.0: CHANGE OF NAME OR ADDRESS: Borrower agrees to promptly notify the Bank in writing of any change in name or mailing address.

22.0: CLOSING THE CARD ACCOUNT: Borrower may close the Card Account at any time by notifying the Bank in writing. The Bank may close the Card Account at any time without cause and without notice. 26.0: LEGAL ACTION AND COSTS: Without waiving the Dispute Resolution provisions of this Agreement, the Bank may take legal action (including collection action) against Borrower and Borrower agrees to pay all collection costs whether or not awardable as court costs (including the cost of Bank staff) and reasonable attorney fees (including those of salaried Bank employees). If the Bank sues to collect and Borrower wins the lawsuit, the Bank will pay Borrower's court costs and reasonable attorney fees. Also, Borrower agrees that regardless of where it is located or does business, the Bank may initiate legal action against Borrower in Salt Lake County, Utah and Borrower hereby submits itself to jurisdiction of the courts therein.

27.0: DISPUTE RESOLUTION PROVISION: This Dispute Resolution Provision contains a jury waiver, a class action waiver, and an arbitration clause (or judicial reference agreement, as applicable), set out in four Sections. **READ IT CAREFULLY.**

27.1: SECTION 1: GENERAL PROVISIONS GOVERNING ALL DISPUTES.

27.1.1: PRIOR DISPUTE RESOLUTION AGREEMENTS SUPERSEDED. This Dispute Resolution Provision shall supersede and replace any prior "Jury Waiver," "Judicial Reference," "Class Action Waiver," "Arbitration," "Dispute Resolution," or similar alternative dispute agreement or provision between or among the parties.

27.1.2: “DISPUTE” DEFINED. As used herein, the word “Dispute” includes, without limitation, any claim by either party against the other party related to this Agreement, your Card or Account. In addition, **“Dispute” also includes any claim by either party against the other party regarding any other agreement or business relationship between any of them, whether or not related to the Loan or other subject matter of this Agreement.** “Dispute” includes, but is not limited to, matters arising from or relating to a deposit account, an application for or denial of credit, warranties and representations made by a party, the adequacy of a party’s disclosures, enforcement of any and all of the obligations a party hereto may have to another party, compliance with applicable laws and/or regulations, performance or services provided under any agreement by a party, including without limitation disputes based on or arising from any alleged tort or matters involving the employees, officers, agents, affiliates, or assigns of a party hereto.

If a third party is a party to a Dispute (such as a credit reporting agency, merchant accepting a credit card, junior lienholder or title company), each party hereto agrees to consent to including that third party in any arbitration or judicial reference proceeding for resolving the Dispute with that party.

27.1.3: JURY TRIAL WAIVER. Each party **waives their respective rights to a trial before a jury in connection with any Dispute**, and all **Disputes shall be resolved by a judge sitting without a jury.** If a court determines that this jury trial waiver is not enforceable for any reason, then **at any time prior to trial of the Dispute, but not later than 30 days after entry of the order determining this provision is unenforceable**, any party shall be entitled to move the court for an order, as applicable: (A) compelling arbitration and staying or dismissing such litigation pending arbitration (“Arbitration Order”) under Section 2 hereof, or (B) staying such litigation and compelling judicial reference under 27.3: Section 3 hereof.

27.1.4: CLASS ACTION WAIVER. If permitted by applicable law, **each party waives the right to litigate in court or an arbitration proceeding any Dispute as a class action, either as a member of a class or as a representative, or to act as a private attorney general.**

27.1.5: SURVIVAL. This Dispute Resolution Provision shall survive any termination, amendment or expiration of this Agreement, or any other relationship between the parties.

27.2: SECTION 2: ARBITRATION IF JURY WAIVER UNENFORCEABLE (EXCEPT CALIFORNIA). If (but only if) a state or federal court located outside the state of California determines for any reason that the jury trial waiver in this Dispute Resolution Provision is not enforceable with respect to a Dispute, then any party hereto may require that said Dispute be resolved by binding arbitration pursuant to this Section 2 before a single arbitrator. An arbitrator shall have no authority to determine matters (i) regarding the validity, enforceability, meaning, or scope of this Dispute Resolution Provision, or (ii) class action claims brought by either party as a class representative on behalf of others and claims by a class representative on either party’s behalf as a class member, which matters may be determined only by a court without a jury. **By agreeing to arbitrate a Dispute, each party gives up any right that party may have to a jury trial, as well as other rights that party would have in court that are not available or are more limited in arbitration, such as the rights to discovery and to appeal.**

Arbitration shall be commenced by filing a petition with, and in accordance with the applicable arbitration rules of, National Arbitration Forum (“NAF”) or Judicial Arbitration and Mediation Service, Inc. (“JAMS”) (“Administrator”) as selected by the initiating party. However, if the parties agree, arbitration may be commenced by appointment of a licensed attorney who is selected by the parties and who agrees to conduct the arbitration without an Administrator. If NAF and JAMS both decline to administer arbitration of the Dispute, and if the parties are unable to mutually agree upon a licensed attorney to act as arbitrator with an Administrator, then either party may file a lawsuit (in a court of appropriate venue outside the state of California) and move for an Arbitration Order. The arbitrator, howsoever appointed, shall have expertise in the subject matter of the Dispute. Venue for the arbitration proceeding shall be at a location determined by mutual agreement of the parties or, if no agreement, in the city and state where Lender or Bank is headquartered. The arbitrator shall apply the law of the state specified in the agreement giving rise to the Dispute.

After entry of an Arbitration Order, the non-moving party shall commence arbitration. The moving party shall, at its discretion, also be entitled to commence arbitration but is under no obligation to do so, and the moving party shall not in any way be adversely prejudiced by electing not to commence arbitration. The arbitrator: (i) will hear and rule on appropriate dispositive motions for judgment on the pleadings, for failure to state a claim, or for full or partial summary judgment; (ii) will render a decision and any award applying applicable law; (iii) will give effect to any limitations period in determining any Dispute or defense; (iv) shall enforce the doctrines of compulsory counterclaim, res judicata, and collateral estoppel, if applicable; (v) with regard to motions and the arbitration hearing, shall apply rules of evidence governing civil cases; and (vi) will apply the law of the state specified in the agreement giving rise to the Dispute. Filing of a petition for arbitration shall not prevent any party from (i) seeking and obtaining from a court of competent jurisdiction (notwithstanding ongoing arbitration) provisional or ancillary remedies including but not limited to injunctive relief, property

preservation orders, foreclosure, eviction, attachment, replevin, garnishment, and/or the appointment of a receiver, (ii) pursuing non-judicial foreclosure, or (iii) availing itself of any self-help remedies such as setoff and repossession. The exercise of such rights shall not constitute a waiver of the right to submit any Dispute to arbitration.

Judgment upon an arbitration award may be entered in any court having jurisdiction except that, if the arbitration award exceeds \$4,000,000, any party shall be entitled to a de novo appeal of the award before a panel of three arbitrators. To allow for such appeal, if the award (including Administrator, arbitrator, and attorney's fees and costs) exceeds \$4,000,000, the arbitrator will issue a written, reasoned decision supporting the award, including a statement of authority and its application to the Dispute. A request for de novo appeal must be filed with the arbitrator within 30 days following the date of the arbitration award; if such a request is not made within that time period, the arbitration decision shall become final and binding. On appeal, the arbitrators shall review the award de novo, meaning that they shall reach their own findings of fact and conclusions of law rather than deferring in any manner to the original arbitrator. Appeal of an arbitration award shall be pursuant to the rules of the Administrator or, if the Administrator has no such rules, then the JAMS arbitration appellate rules shall apply.

Arbitration under this provision concerns a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1 *et seq.* If the terms of this Section 2 vary from the Administrator's rules, this Section 2 shall control.

27.3: SECTION 3: JUDICIAL REFERENCE IF JURY WAIVER UNENFORCEABLE (CALIFORNIA ONLY). If (but only if) a Dispute is filed in a state or federal court located within the state of California, and said court determines for any reason that the jury trial waiver in this Dispute Resolution Provision is not enforceable with respect to that Dispute, then any party hereto may require that Dispute be resolved by judicial reference in accordance with California Code of Civil Procedure, Sections 638, et seq., including without limitation whether the Dispute is subject to a judicial reference proceeding. **By agreeing to resolve Disputes by judicial reference, each party is giving up any right that party may have to a jury trial.** The referee shall be a retired judge, agreed upon by the parties, from either the American Arbitration Association (AAA) or Judicial Arbitration and Mediation Service, Inc. (JAMS). If the parties cannot agree on the referee, the party who initially selected the reference procedure shall request a panel of ten retired judges from either AAA or JAMS, and the court shall select the referee from that panel. (If AAA and JAMS are unavailable to provide this service, the court may select a referee by such other procedures as are used by that court.) The referee shall be appointed to sit with all of the powers provided by law, including the power to hear and determine any or all of the issues in the proceeding, whether of fact or of law, and to report a statement of decision. The parties agree that time is of the essence in conducting the judicial reference proceeding set forth herein. The costs of the judicial reference proceeding, including the fee for the court reporter, shall be borne equally by the parties as the costs are incurred, unless otherwise awarded by the referee. The referee shall hear all pre-trial and post-trial matters (including without limitation requests for equitable relief), prepare a statement of decision with written findings of fact and conclusions of law, and apportion costs as appropriate. The referee shall be empowered to enter equitable relief as well as legal relief, provide all temporary or provisional remedies, enter equitable orders that are binding on the parties and rule on any motion that would be authorized in a trial, including without limitation motions for summary adjudication. Only for this Section 3, "Dispute" includes matters regarding the validity, enforceability, meaning, or scope of this Section, and (ii) class action claims brought by either party as a class representative on behalf of others and claims by a class representative on either party's behalf as a class member. Judgment upon the award shall be entered in the court in which such proceeding was commenced and all parties shall have full rights of appeal. This provision will not be deemed to limit or constrain Bank or Lender's right of offset, to obtain provisional or ancillary remedies, to interplead funds in the event of a dispute, to exercise any security interest or lien Bank or Lender may hold in property or to comply with legal process involving accounts or other property held by Bank or Lender.

Nothing herein shall preclude a party from moving (prior to the court ordering judicial reference) to dismiss, stay or transfer the suit to a forum outside California on grounds that California is an improper, inconvenient or less suitable venue. If such motion is granted, this Section 3 shall not apply to any proceedings in the new forum.

This Section 3 may be invoked only with regard to Disputes filed in state or federal courts located in the State of California. In no event shall the provisions in this Section 3 diminish the force or effect of any venue selection or jurisdiction provision in this Agreement or any Related Document.

27.4: SECTION 4: RELIANCE. Each party (i) certifies that no one has represented to such party that the other party would not seek to enforce a jury waiver, class action waiver, arbitration provision or judicial reference provision in the event of suit, and (ii) acknowledges that it and the other party have been induced to enter into this Agreement by, among other things, material reliance upon the mutual waivers, agreements, and certifications in the four Sections of this DISPUTE RESOLUTION PROVISION.

28.0: INTERPRETATION; EFFECT, CHANGES TO THIS AGREEMENT:

28.1: Duration. Except for the right to use the Card and to make charges to the Card Account (which right expires when the Card Account is closed); all other provisions of his Agreement shall remain in full force and effect until the Card Account is closed and Borrower's Outstanding Balance is paid in full.

28.2: Headings. The headings used in this Agreement are for convenience only and shall have no bearing on the interpretation of this Agreement.

28.3: Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE UNITED STATES AND OF THE STATE OF UTAH, REGARDLESS OF WHERE YOU RESIDE OR USE THE CARD, THE CARD ACCOUNT OR CREDIT CARD CHECKS AT ANY TIME.

28.4: Monetary Figures: All monetary figures on the Card Account and in this Agreement are and shall be denominated in United States Dollars.

28.5: Changing This Agreement. Borrower agrees that the Bank may change the terms of this Agreement, including without limitation any term pertaining to the interest charges, at any time upon written notice to Borrower. Except for changes to the Credit Limit, the Bank will notify Borrower of any such change at least 45 days in advance. If Borrower does not agree to the change Borrower must notify the Bank in writing within 25 days after the effective date of the change, and the Bank may close the Card Account and may elect to have Borrower pay the Borrower's Outstanding Balance on or before the payment due date. Otherwise, Borrower shall be deemed to have agreed to the change in the Bank's notice. Use of the Card after the effective date of the change shall be deemed to be Borrower's acceptance of the new terms.

28.6: Integrated Agreement. Borrower agrees that this Agreement is a final written expression of the agreement between Borrower and the Bank and that this Agreement may not be contradicted by evidence of any alleged oral agreement.

28.7: Severability. The provisions of this Agreement are severable to the extent that any provision hereof held to be prohibited or unenforceable in any jurisdiction shall not invalidate the remainder of this Agreement in that jurisdiction and shall be fully enforceable in any other jurisdiction not expressly prohibiting such provision.

28.8: Delay in Enforcement. The Bank may exercise its rights under this Agreement immediately, or, at the Bank's sole discretion, may decline to enforce or delay in enforcing any such rights without losing, waiving, or impairing them. Borrower may not sell, assign, or transfer this Agreement or the Card Account or any portion thereof without the express prior written consent of the Bank. The Bank may sell, assign, or transfer this Agreement or the Card Account or any portion thereof without notice to Borrower. Subject to the foregoing, this Agreement shall be binding upon the heirs, representatives, successors, and assigns of the parties hereto.

29.0: CASH BACK FOR BUSINESS ("Cash Back Rebate") TERMS AND CONDITIONS:

The following Cash Back Rebate program is available only with the Cash Back for Business Visa credit card. Not all Affiliate Banks offer the Cash Back for Business Credit Card. Availability is at the sole discretion of the Bank and Affiliate Banks. The Bank reserves the right to amend, cancel or change the following Cash Back Rebate program at any time with or without notice as permitted by law. Cash Back for Business Visa credit cards cannot be enrolled in the AmaZing Rewards® program.

29.1: Cash Back Rebate Program: From the date your Account is opened (or the first day of the billing cycle following enrollment in the Cash Back Rebate program, whichever is later) until your Account is closed and/or enrollment in the Cash Back Rebate program is cancelled, you will accrue a 1% Rebate for each dollar of qualifying net purchases charged to your Account during each billing cycle that the Account is open, current, and no payment is past due. Transactions excluded from receiving Rebates include (but are not limited to), cash advances, balance transfers, ATM transactions, unauthorized charges, fraudulent charges, fees, interest charges, foreign cash transactions, casino gaming and betting transactions and lottery tickets.

To participate in the Cash Back Rebate program, you must own a business checking account with the Bank (or the Affiliate Bank for which Bank issued your Card(s)). Each time your total accrued Rebate for qualified purchases reaches a \$100 threshold, your business checking account will be credited in increments of \$100. No Rebate will be awarded, however, if: (1) your business checking account is not in good standing or is closed; or (2) for any billing cycle your credit card account is closed, not in good standing or not current on the closing date for that billing period. There is no earnings cap on the amount of cash back. Accrued Rebates not paid will expire five years after the statement closing date of the billing cycle in which they accrued. You are solely responsible for any taxes related to or arising out of your participation in this program. Rebates will be treated as a bank credit to Borrower's business checking account, but will not qualify as a payment or as a payment towards the required minimum monthly payment on your credit card account.

We may reverse a Rebate by debiting your accrued Rebate or business checking account for returned merchandise or for any unauthorized purchase. We reserve the right to reverse a Rebate and/or cancel benefits if we reasonably believe that a purchase was returned, or was not a bona fide purchase of goods or services delivered or performed by a merchant.

29.2: Enhanced Rebate for Selected Charges: Cash Back Rebates are increased from the standard 1% Rebate to a 2% Enhanced Rebate for select categories of goods and services charged to your Account. Purchases eligible for the 2% Enhanced Rate are those submitted by a U.S. merchant using the following bonus Merchant Category Code(s) ("MCC code"): MCC code 4814 for wireless telephone services; MCC code 4812 for telecommunication services and equipment; MCC code 4816 for computer network services; MCC code 5943 for office supplies; and, MCC codes 5960 and 6300 for

insurance products. (Bank may add or delete bonus MCC codes at any time in its discretion without notice.) If, during any 12 consecutive billing cycles, your cumulative qualifying net purchases in the 2% bonus MCC codes is greater than 20% of your cumulative qualifying net purchases in your Account, we reserve the right to cancel the 2% Enhanced Rebate and pay only the standard 1% Rebate on all purchases regardless of MCC code. After 12 months, we may in our discretion agree to a request to reinstate the 2% Enhanced Rebates for your Account. Purchases at “departments” of superstores, warehouse clubs, supermarkets, drug stores, convenience stores and MCC codes not listed above will earn only the standard 1% Rebate.

29.3: Cash Back Charity Option: If you elect to enroll in the “Cash Back Charity” option, then Bank will donate the Rebates that you earn under the Cash Back Rebate program to a Participating Charity (“Charity”) instead of depositing those Rebates to your business checking account. You can change your designated Charity, or cancel your enrollment in Cash Back Charity, at any time. By enrolling in Cash Back Charity, you acknowledge and agree to the following: As a benefit and convenience only, the Bank is providing you a service to make cash contributions to Charity; the Bank only provides a means of accruing and transferring cash to a Charity. The Bank is not affiliated with any participating Charity. The number of participating Charities is limited. Selection of Charities that may participate is at the sole discretion of the Bank and subject to change at any time without notice. Charities may withdraw from the program at any time. At its sole discretion, Bank may add new and remove Charities to or from the program. If the Charity you selected no longer participates, you will be notified and allowed to select a different participating Charity or to cancel your enrollment in Cash Back Charity. You consent to the Bank releasing personal data to your selected Charity and its contractors so they can provide you with written acknowledgement of your contributions and an annual statement for tax reporting. Bank makes no representation regarding any tax benefits for any cash donation. Please contact your tax advisor regarding all tax reporting requirements and possible tax benefits for your cash donation. All donations that have been donated or paid to a Charity are permanent and non-refundable.
